INSTRUCTIONS

SKILLATHON

JUNIOR Meat Cut ID

Junior Swine Equipment ID Instructions

- Have the participant draw a line from the word to the cut of meat.
- Option: actual meat cuts may be purchased with labels created to match.

Scoring: There are 6 cuts of pork and each correctly identified cut is 4 points for a total of 24 possible points. Since our stations have to equal 25 points every participant will receive 1 free point, making this station a grand total of 25 points.

****This station has a total of 25 points.****

****Remember to add the free point.****

Thank you very much for volunteering to help with the skillathon. Please remember to complete the skillathon facilitator information sheet and leave it on your stations table at the end of the competition. Thank You!
